TOP DECK

AFT DECK

The image shows the aft deck of a modern yacht. The deck is covered with a white canopy and has a wooden-plank floor. On the left, there are wooden steps leading up. In the center, there is a white rectangular table with a silver vase of flowers. To the right of the table is a long, dark grey upholstered sofa with several patterned ottomans in front of it. On the table, there is a charcuterie board with various meats, cheeses, and fruits, along with a bottle of champagne and two glasses. The background shows a wide view of the water, the Sydney Harbour Bridge, and the city skyline under a blue sky with light clouds. A stainless steel handrail runs along the edge of the deck, and a vertical stainless steel pole is visible on the right side.
