

ANTARES

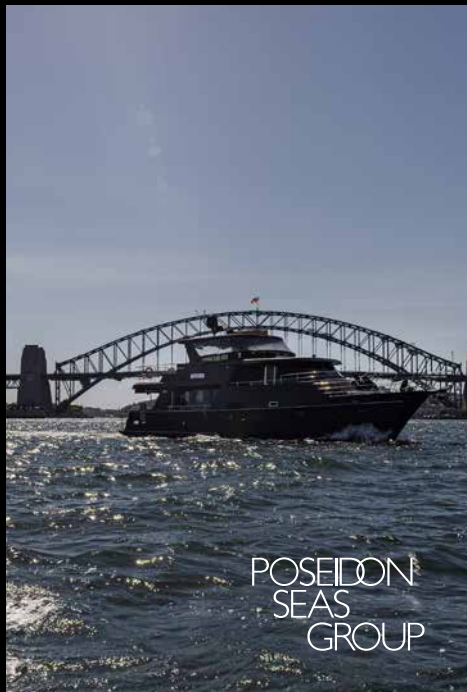

PRIVATE LUXURY YACHT

WHERE OPULENCE, INTIMACY AND
IMPECCABLE HOSPITALITY TRACE
SYDNEY HARBOUR SKYLINES

Step into your personal sanctuary aboard Antares. A vessel crafted for unforgettable moments, elevated experiences, and the kind of effortless luxury that lingers long after the anchor is lifted.

The History of Antares

A true icon of the harbour, Antares was designed with timeless elegance and human connection at its core. Originally built for private luxury voyages, she has evolved into a coveted space for elevated experiences, seamlessly merging classic craftsmanship with contemporary sophistication.

Built in 2008 by Symbol Yachts in Taiwan, Antares underwent a full refit by Poseidon Seas Group in 2021. She measures 66 ft (20 m) in length, accommodates up to 24 guests for cruising, and offers overnight capacity for up to 6 guests. Her range extends across Sydney Harbour, north to Pittwater, and south to the pristine waters of Jervis Bay.

From intimate gatherings to high-profile activations, Antares has become synonymous with discretion, refinement, and distinction on Sydney's waters.
